## MINISTRY OF STEEL AND MINES

(Department of Iron and Steel)  
Iron & Steel Control

Calcutta-1, the 17th May 1965

SUB :—Import of Iron & Steel materials from the U.S. under AID (Non-Project) Loans.

No. 1/6-1/65(PN)—This Public Notice sets out the conditions applicable to Import licences granted against all Non-Project loans to be financed by the U.S. Agency for International Development.

2. Import licences issued on and from 1st April, 1965 under this loan will be governed by these conditions.

### Terms and Conditions Governing the issue of Import Licences under AID (Non-Project) Loans

#### (I) ELIGIBLE ITEMS :

A list of eligible items is given in Annexure I (the inclusion of an item in the list does not, however, imply that licences for that item will, necessarily be issued). The licence will be valid for the import of goods of U.S. source and origin only.

U.S. "origin" is defined to mean that the goods in question have been grown, mined, or produced through manufacturing, processing or assembly in the U.S.A. Items may have non-USA components only from countries included in Code 899 as defined in Clause XIV below provided that the cost of the components to the supplier does not exceed ten per cent of the lowest export price at which the supplier makes the items available for export, excluding shipping costs and marine insurance.

U.S. "source" is defined to mean that the goods are shipped to India either from (a) the U.S.A. or (b) a bonded warehouse or free port if shipped there from the U.S.A. in the form in which received in India.

NOTE : AID, Washington have relaxed the ten per cent limitation on imported components in certain cases, vide Source Rulings of AID/W, reproduced in Annexure IV.

#### (II) BID INVITATIONS :

##### A. Notice to U.S. Business regarding proposed procurement of goods.

Unless the value of the Import licence is less than \$ 5,000 or unless AID waives notification requirements [See Clause (IV) below], importers are required to follow the procedure explained in Annexure III for notifying U.S. Business regarding proposed procurement.

It is emphasised that if any U.S. Supplier asks for information or clarification from the Indian importer in response to the "Notice to U.S. Business" such enquiries must be answered so that the potential U.S. Supplier is enabled to quote for the particular commodity to be procured. It is the responsibility of the importers to see that such enquiries are duly answered by him and not ignored. The orders as finalised with the suppliers should conform to the provisions of Clause (V) below.

##### B. Other Procurement Requirements.

Information on Price Accepted and Abstract of Offers and Bids.

Upon request by the Iron and Steel Controller, Calcutta or AID, the importer shall furnish an abstract of all price quotations, offers, or bids received, as the case may be, showing : (a) the name and address of all offerers or bidders and their Principals, if any, (including manufacturers or processors of the goods where known); (b) the offers they made or the bids they submitted in terms of categories of goods, quantity, quality, delivery time offered and other relevant factors; and (c) the name of the successful bidder. In cases where the order was placed or the award made to other than the lowest offerer or bidder, the importer will give the reasons for rejecting the lower offers or bids and for accepting the successful bidder.

#### (III) IMPORT LICENCES OF LESS THAN \$ 5,000 IN VALUE :

For Import licence of less than \$ 5,000 in value, the submission of "Notice to U.S. Business" mentioned in Clause (II) above is not necessary and the importer can straightaway finalise orders with suppliers. It is, however, essential that the orders as finalised should conform to the provisions of Clause (V) below.

#### (IV) WAIVER OF NOTIFICATION REQUIREMENTS :

##### 1. Proprietary Waiver :

Upon written application by the importer, the AID may reduce the 45 days waiting period, or waive this requirement to the case of procurement of proprietary items—i.e. items which are part of an existing plant or are required for the extension of an existing plant or items such as spare parts for which orders must be placed on the original suppliers for technical reasons. For this purpose, the importer may apply through the Iron and Steel Controller, 33, Netaji Subhas Road, Calcutta-1, to the Director, Industrial Resources Division, Agency for International Development, Washington, D.C. 20523, while submitting the form of "Notice to U.S. Business". Such requests should contain full and detailed justification for the requested "waiver" and should be supported by

documentary evidence wherever necessary. Every request should indicate the estimated dollar value, on a F.O.B. or F.A.S. basis, of the equipment for which the "waiver" is requested. If the request for proprietary waiver is based on the need for standardisation of the equipment, the request should include the following information :—

- (a) Number of *identical* units of equipment which the importer already possesses;
- (b) Number of *similar* units of equipment which the importer already possesses;
- (c) Number of employees trained to operate the equipment for which the waiver is requested;
- (d) extent of training of such employees; and
- (e) extent of availability of service and maintenance facilities in India for the equipment for which the waiver is requested.

In no case, should such requests for "waiver" be sent directly to AID. They are to be routed through the Iron & Steel Controller, (DLF Credit Cell), 33, Netaji Subhas Road, Calcutta-1, who, after satisfying himself that a *prima facie* case for waiver exists, will forward such requests to AID/W for the latter's consideration. The importer should not finalise the order unless the waiver applied for is granted by the Agency for International Development, Washington, D.C.

## 2. Sole Agency Waiver :

When importers are the exclusive distributors or exclusive franchised assemblers or processors of products supplied by a certain principal, or are bound by a contractual agreement to buy certain kinds or types of products only from that one supplier, the responsibility for securing "waiver" from AID rests with the supplier, who should send the importer two copies of his request. The supplier's request should be submitted to the Office of the Small Business, Agency for International Development, Washington, 25, D.C. The request must be accompanied by a copy of the contractual document governing the Sole Agency Relationship and should be supported by a statement from the supplier similar to the following :—

"We certify that (full name and address of importer) is bound by contractual agreement to purchase his requirements of (name or description of commodity or products) *only* from (name of supplier): that our agreement prevents his purchasing other brands of this commodity, or products from other suppliers, and that he cannot, therefore, consider competitive offers".

If the waiver is authorised by AID, AID will send one copy of the waiver to the supplier and one copy to the importer. The importer then should send a copy of the waiver to the Iron & Steel Controller (DLF Credit Cell), 33, Netaji Subhas Road, Calcutta-1, stating the Import licence Number against which he will operate the waiver and should await clearance from the Iron and Steel Controller, Calcutta. For each Import Licence issued subsequent to the authorisation of the waiver the importer should inform the Iron and Steel Controller (DLF Credit Cell), 33, Netaji Subhas Road, Calcutta-1, whether the waiver is still valid and make a reference to the letter of the Iron & Steel Controller, Calcutta which conveyed the original clearance to the operation of the waiver. The importer should not finalise any orders until he has received specific clearance from the Iron and Steel Controller, Calcutta.

## (V) PRICE OF COMMODITIES AND THEIR USE :

The goods should be procured at reasonable prices which normally approximate the lowest competitive export market price, having regard to quality, time and cost of delivery and other factors. In addition, prices for purchases in bulk shall not exceed the market price prevailing in the U.S.A. at the time of purchase, adjusted for differences in the cost of transportation to destination, quality and terms of payment. [The supplier certifies to this price requirement in the Supplier's Certificate shown in Annexure (II)]. The prices at which contracts are concluded by the importer will be subject to check by Government. *The contract prices should be shown in U.S. Dollars only.*

Any contracts entered into in violation of the conditions of this paragraph will render the licence liable to cancellation. Goods imported under this Import licence shall be used only for the purposes for which the Import licence is issued and/or in accordance with such conditions as may, hereafter, be prescribed by Government.

## (VI) AGENT'S COMMISSION :

Prior to entering into contract with the U.S. Supplier, the importer should ascertain from the U.S. Supplier whether he has an Agent in India and whether payment of Agent's Commission is involved. Where the prices include commission for the local distributor (*i.e.* the Agent Company in India), the importer shall ensure that the contract with the U.S. Supplier provides that the Agent's Commission is deducted from the contract prices, to be settled in rupees in India between the Agent and the importer. This commission, although payable in rupees in India, will, however, be duly taken into account against the value of the imports authorised under the Import licence concerned; an equivalent amount will not, therefore, be available for additional imports under the individual licence.

## (VII) CREDIT FACILITIES :

If the importer wants to avail himself of the credit facilities offered by the U.S. Suppliers, he could do so provided the period of credit does not extend beyond 90 days after the date of shipment and provided no interest charges, direct or indirect, are payable by him because of the credits extended. No other credit arrangements except to the extent of this paragraph, is permissible.

(VIII) In respect of the Import licences issued to Public Sector firms and Government Undertakings, no remittance of foreign exchange will be allowed from India. The U.S. Suppliers will be paid directly by the Agency for International Development, Department of State, Washington, through Letters of Commitment issued in favour of certain designated American Banks on submission to the Agency for International Development, Washington, the documents as mentioned in Annexure V of the Instructions attached to the licences. As soon as the import licence is received and after compliance with the provisions in Clause I, the licensee should furnish a copy of the firm order duly accepted by the foreign suppliers showing the specifications and rate per M/Ton separately under each Head. The Importer will have to furnish to the Iron and Steel Controller, direct, a Bank Guarantee in the form reproduced in Annexure XI. All correspondence about the Bank Guarantee should be made to the Iron and Steel Controller, Calcutta, direct. The Bank Guarantee should be executed on non-judicial paper, the value of the stamp being adjudicated by the Collector in accordance with the provision of Section 31 of the Stamp Act, 1899, and as per specimen Form in Annexure XI and valid for a period of three months beyond the probable shipment date. The Letter of Credit will be authorised by the Iron and Steel Controller, Calcutta, to be opened with the authorised American Bank holding Letter of Commitment. The materials will be released on payment of the rupee equivalent to the Dollar value of the materials to the Iron and Steel Controller, Calcutta, who will be handing over the documents for release of the materials.

The shipment in respect of imports made by Public Sector firms and Government Undertakings should, to the utmost possible extent, be made on FOB/FAS basis. The shipping arrangements in this respect will be made by the Secretary, Shipping Co-ordination Committee, Ministry of Transport (Deptt. of Transport—Transport Wing), New Delhi, through their forwarding Agents—Messrs. Dyson Shipping Company Inc. 10, Pearl Street, New York, N.Y. (Telegraphic address—"DYSONCO NEW YORK"). The importers will forward to the Secretary, Shipping Co-ordination Committee (above mentioned) two copies of the Purchase Contracts immediately after the contract is finalised. Full details of specifications, period of shipment, and any special requirements should be furnished by the Importer in the prescribed proforma (Annexure XII), in triplicate. The Importer will stipulate in the contract that the Government appointed forwarding Agents will be responsible for making shipping arrangements. The Importer will also state in the contract the full documentation requirements.

The payments of freight for cargoes on U.S. Vessels and Third Flag Vessels will be made by the Director General, India Supply Mission, Washington and for cargoes shipped on Indian Flag Vessels will be made in India by the Pay & Accounts Officer, Ministry of Works & Housing, Bombay. The importers will have to arrange for foreign exchange sanctions for shipment by non-Indian Flag Vessels and place sufficient funds at the disposal of the above mentioned two officers to make freight payments in advance.

**(IX) DOCUMENTATION :**

Ordinarily, Letters of Credit will be opened with various U.S. Banks for paying the suppliers for goods delivered. The importer is responsible that the supplier is informed regarding his responsibility in completing and submitting the following documents to the U.S. Banks at the time that the supplier claims payment for the delivered goods. Each document should indicate the **AID LOAN NUMBER SHOWN IN THE IMPORT LICENCE**. (Further details of documentation requirements is contained in Annexure V).

**A. SUPPLIER'S INVOICE :** The regular, commercial invoice should show quantity, detailed description, gross sales price, net sales price (after deducting discounts and purchasing agents' commissions) and basis of delivery (e.g. C&F., CIF., FAS/FOB) of the goods and should be signed manually by the Supplier. If goods were shipped from a free port or bonded warehouse, the invoice should so indicate. The invoice should specifically show the agent's commission involved, with a certificate that Indian Agent's commission involved, has been deducted from the invoice value.

**B. EVIDENCE OF SHIPMENT :** This is normally a shipping bill of lading, although an Airway bill, parcel post receipt, or charter party bill, or other commercially accepted documentation is permissible. The document should contain the carrier's statement of charges, and should show the date of shipment.

**C. SUPPLIER'S CERTIFICATES :** The original, signed manually in ink and two copies of the AID Suppliers' Certificate and Invoice-and-Contract Abstract must be executed by the supplier, covering each of the following.

**1. Certificate by Commodity Suppliers :**

The cost of the commodity, including the cost of ocean freight and/or marine insurance (including war risk insurance) when such costs are paid by the supplier for his own or the buyer's account, to be executed by the supplier of the commodity.

**2. Certificate by Carrier :**

The cost of ocean or air freight, to be executed by the carrier.

**3. Certificate by Supplier of Marine Insurance :**

The cost of marine insurance (including war risk insurance) to be executed by the insurer, insurance broker, or underwriter only if the cost of the insurance exceeds fifty Dollars (\$ 50).

A copy of the Supplier's Certificate and Invoice-and-Contract Abstract are shown in Annexure II. Note that the certification of U.S. Source/Origin is part of the Supplier's Certificate.

The importer must also inform the supplier of his responsibility to send one (non-negotiable) copy of the bill of lading, or other shipping document, one copy of the Supplier's Invoice, and one copy of the packing list to the Controller, U.S. AID Mission, New Delhi.

**(X) PAYMENTS AGAINST IMPORT LICENCES :**

Payments against the import licences may be made by the importers through the authorised dealers in foreign exchange in India in the normal manner. The importers shall stipulate in their contracts with suppliers a condition that payments, when due, in accordance with the terms of the contract, will be made only on presentation to the bank concerned of the documents mentioned in Annexure V. The authorised dealers in foreign exchange, while making requests to their correspondents in the U.S.A. for opening Letters of Credit in favour of the suppliers, should also instruct the U.S. correspondents to open the Letters of Credit with the explicit conditions that payments will, *inter alia*, be subject to the presentation by the supplier to the bank concerned of complete sets of the required documents (usually six copies) as mentioned in Clause IX above. *It should also be stipulated that each document should indicate the AID Loan Number shown in the Import licence.* These documents will be forwarded by the U.S. Banks to the Indian Banks concerned who will, in turn, pass on one complete set of documents to the Ministry of Finance (Department of Economic Affairs) Economic Aid Accounts Section, New Delhi, with the numbers of the relative Import licences duly noted on each of these documents and along with a certificate of remittance if the invoices are not marked "paid" by the suppliers or certified as "paid" by the U.S. or Indian Bank. The above condition regarding documentation will also apply to cases where bills are received by the authorised dealers in foreign exchange on collection basis to cover

imports. The fact that these documents are to be submitted by the Indian Banks will, however, not absolve the importers from the responsibility of submission of proper documents to Government.

**(XI) REPORT REGARDING ORDERS PLACED :**

Within a fortnight of the placement of order, a report should be sent by the importers (with a copy to the Ministry of Finance, Department of Economic Affairs, Economic AID Accounts Branch) to the Iron & Steel Controller, DLF Credit Cell, 33, Netaji Subhas Road, Calcutta-1, consisting of the following information and documents :—

- A. Number and date and value of the Import licence and relative AID Loan No.
- B. Value and quantity of orders placed and accepted by the supplier.
- C. Name and address of the supplier.
- D. General description of the items to be imported and Commodity Code Number, if known.
- E. A copy of the order placed on the supplier and of his acceptance.
- F. Number and date of the communication from the Iron & Steel Controller (DLF Credit Cell) relating to publication of "Notice to U.S. Business" or grant of "Waiver", where applicable.

Any change in the terms of the order should be intimated promptly to the Iron & Steel Controller (DLF Credit Cell), 33, Netaji Subhas Road, Calcutta as well as to the Ministry of Finance, Department of Economic Affairs (Economic Aid Accounts Section), New Delhi.

In cases where imports of any of the following items are involved, the importer shall as soon as the purchases contract is made, inform the U.S. Aid Mission, New Delhi (Attention : E.O./PRO) of the name and address of the U.S. supplier and the particulars of the transaction :

- (a) Stainless Steel and/or Stainless Steel Products in which nickel is an alloy of value,
- (b) Tin Plates and/or Terne Plates,
- (c) Nickel products and Nickel Base Alloy Products,
- (d) Tin Metal and Tin Base Alloys in primary forms (excluding pig tin) and tin products and Tin Base Alloy Products including Tin Base Babbit Metals, and
- (e) Rubber Tyres and Tubes.

**(XII) ACTUAL USER LICENCES :**

Holders of Actual User licences for raw materials or components may, at their discretion, import more or less of any items of raw materials or components covered by their licences, subject to the following conditions :

- A. The procedure in clauses (II), (III) and (IV) above as the cases may be, are duly observed.
- B. The face value of the licence is not exceeded; and
- C. The excess in respect of any individual items will not exceed 25% of the value limit, if any, indicated in the licence itself for that particular item.

The above facility will be allowed by the Customs Authorities on the strength of this Public Notice and it will not be necessary for licence holders to get their licences specially endorsed for this purpose.

**(XIII) SIXTY PER CENT SHIPMENT ON U.S. FLAG VESSELS :**

It will be ensured that at least 50 per cent of the total tonnage of all orders (computed separately for dry bulk carriers, dry cargo liners and tankers), is shipped on U.S. Flag commercial vessels.

**(XIV) FORTY PER CENT SHIPMENT OF INDIAN FLAG VESSELS :**

The remaining 40 per cent of the total tonnage of all orders (computed separately for dry bulk carriers, dry cargo liners and tankers) should be shipped on Indian Vessels to the extent that such Indian Vessels are available at competitive and reasonable rates of freight. If, however, no suitable Indian Vessel is available at competitive and reasonable rates, a non-availability certificate about Indian vessels should be obtained by the Importer/supplier from the Secretary, Shipping Coordination Committee, Ministry of Transport (Deptt. of Transport), New Delhi (Cable—"Transport"). Freight charges in respect of goods transported on Indian Flag vessels shall be payable in Indian rupee only.

If the non-availability of Indian Flag Vessels is established in the manner prescribed above, the importer/supplier may ship those goods in a third country vessel. The vessel so used should be of countries included in Code 899 of the A.I.D. Geographic Code in effect at the time of shipment. The Code includes all countries except the following :—

The Union of Soviet Socialist Republics, Albania, Bulgaria, Czechoslovakia, East Germany, Estonia, Hungary, Latvia, Lithuania, Rumania, Poland, Danzig, Vietnam (North), North Korea, China (Mainland), and communist controlled areas (which include Manchuria, Inner Mongolia, the provinces of Tsinghai and Szechuan, Sinkiang, Tibet, the former Kwantung leased territory, the present Port Arthur Naval Base Area, and Liaoning Province) Outer Mongolia and Cuba.

In order to facilitate remittance of ocean freight in cases where third country vessels are used in the circumstances and under the conditions set forth in the preceding two sub-paragraphs of this clause, the importer should, at the time of opening letters of credit against licences, ensure that it is stipulated that, in addition to the shipping documents etc. required for the purposes of negotiations, the suppliers or shippers should produce the prescribed certificate regarding non-availability of Indian vessels, in the event of goods up to 40% tonnage limit being transported by third country vessels, for drawing the freight amount under the Letter of Credit.

#### (XV) DISQUALIFIED VESSELS :

No part of the goods covered by the licence should be shipped in any of the vessels notified in the Ministry of Commerce Public Notice No. 16-ITC(PN)/65, dated the 20th March, 1965, as amended from time to time and as may be announced by the Iron and Steel Controller, Calcutta from time to time.

In the letters of credit opened on U.S. Banks against AID licences it is not necessary to detail the list of ineligible vessels as this list may undergo revision from time to time and necessitate frequent amendments to the Letters of Credit. It will be enough if instead of detailing the list of ineligible vessels, the letters of credit opened on U.S. Banks stipulates, *inter alia*, for the production of the following certificates :—

"The vessel owner or operator certifies that the vessel which will perform under this contract is not a vessel which has been banned by AID for transporting AID financed goods. The vessel owner or operator further certifies that they assume full responsibility for any claim filed by AID, Washington or any other authority in case of violation of the requirement".

#### (XVI) CHARTERED VESSELS :

Goods covered by the licence should not be carried in vessels or aircrafts chartered for the purpose unless such charter has been approved in advance by the AID, Washington. Application for securing approval must be made to the Resources Transportation Division, AID Washington, 25, D.C. The importer shall ensure that such charter is in accordance with the provisions of clauses (XIII) and (XIV).

#### (XVII) MARINE INSURANCE :

Marine Insurance may be effected either with U.S. or Indian Insurance Companies. In respect of insurance covered with Indian Insurance Companies, insurance premia shall be payable in rupees but it should be stipulated that any claim arising should be settled in U.S. dollars.

#### (XVIII) INSURANCE CLAIMS :

Claims for deficiency in quality and specifications for defective goods, short-landings, damages, etc., with the suppliers/steamer companies/insurance companies shall be settled in dollars, the payment being remitted by the supplier/steamer companies/insurance companies to the concerned Bank in India of the importer. There is, however, no objection to claims arising out of short-landings, and/or damages to goods, while in transit with shipping companies, being settled by the shipping companies representatives in India in rupees. Immediately upon the settlement of claims, the importer should notify the Iron & Steel Controller, Calcutta, all the details of such payment and also furnish a certificate from the concerned Indian Bank that all the foreign exchange in connection with the settlement of the claims has been received in India. A copy of the report to the Iron & Steel Controller, Calcutta and a copy of the certificate of the Indian Bank should be sent to the Ministry of Finance, Department of Economic Affairs, (Economic Aid Accounts Section), New Delhi. In addition, a quarterly

statement as in the form enclosed as Annexure VI should be rendered to the Iron & Steel Controller, DLF Credit Cell, 33, Netaji Subhas Road, Calcutta-1. It is imperative that importers should receive the claim in India and should, in no case, arrange for their being credited to their accounts, if any, with the suppliers/shipping companies abroad.

#### (XIX) MARKING OF COMMODITIES :

The importer shall make arrangements with his suppliers to comply with the requirements regarding marking of the commodities imported as set out in Annexure VII.

#### (XX) RECORDS AND INSPECTION :

In order to identify the items financed under the Loan; to disclose their costs and their use, to show the nature and extent of solicitation of prospective suppliers and the basis for the award of the contracts or orders involved and to indicate the progress in their utilisation, the importer shall maintain a copy of each of the following documents :—

- A. (1) Bill of lading.
- (2) Supplier's Invoice(s).
- (3) Packing List.
- (4) Certificate of Origin.
- (5) AID Supplier's Certificate.
- (6) Import licence.
- B. (1) Invitation to Bid (if any).
- (2) OSB Notice, or copy of waiver of this requirement.
- (3) Bids received.
- (4) Evaluation of bids, including justification for award.
- C. Contract or Order.
- D. Claims for insurance—all correspondence involved.
- E. Stock & Inventory Records which will include information concerning the disposition and/or utilisation of the imported items. These should be part of the importer's ordinary stock and inventory records and separate records only for the items imported under AID licence, are not required to be maintained.

Such books and records shall be maintained until seven years from the date of the licence. The importer shall enable the authorised representative of the AID to inspect the utilisation of all items imported under the licence and the records and books maintained in that connection and shall afford all reasonable opportunity and assistance to them for such examination.

#### (XXI) NOTIFYING SUPPLIER :

The importer should apprise the supplier that AID Regulation I as published in U.S. Government *Federal Register*, dated the 12th September, 1964 as may be amended from time to time, applies to the transaction.

#### (XXII) SPECIAL CONDITIONS :

Some special conditions are also applicable to imports of certain items. These special conditions and the item concerned are set out in Annexure VIII. The importer shall ensure that the special conditions, as applicable to the import of the items in question, are observed in addition to the other conditions detailed in the Public Notice. He should also ensure that the contract entered into with the U.S. Supplier embodies, *inter alia*, the relevant provisions with which the U.S. Supplier has to comply under such special conditions.

#### (XXIII) DISPUTES :

It should be understood that the Government of India will not undertake any responsibility for disputes, if any, that may arise between the importers and suppliers.

#### (XXIV) FUTURE INSTRUCTIONS :

The importer shall promptly comply with any directions, instructions or orders issued by Government regarding any and all matters arising from or pertaining to the import licences.

#### (XXV) BREACH OR VIOLATIONS :

Any breach or violation of the conditions set forth in the clauses mentioned above will result in appropriate action under the Imports and Exports (Control) Act, 1947,

## ANNEXURE II

## SUPPLIERS' CERTIFICATE AND AGREEMENT WITH THE AGENCY FOR INTERNATIONAL DEVELOPMENT

The supplier hereby acknowledges notice that the sum indicated on the accompanying invoice as claimed to be due and owing under the terms of the contract described on the reverse hereof (hereafter referred to as "said contract") is to be paid, in whole or in part, out of funds made available by the United States under the Foreign Assistance Act of 1961, as amended, and that such payment is subject to Regulation I, of the Agency for International Development (A.I.D.) as in effect on the date hereof (22 CFR Part 201). In consideration of the receipt of such sum, the supplier agrees with and certifies to A.I.D. as follows :—

1. The undersigned is the supplier of the commodities or commodity-related service indicated in the Invoice-and-Contract Abstract on the reverse hereof, is entitled under said contract to the payment of the sum claimed, and is executing this Certificate and Agreement for the purpose of obtaining such payment from funds made available by the United States is described above.

2. The supplier will, upon the request of the Administrator, promptly make refund to A.I.D. of any amount by which the purchase price exceeds the maximum price permitted under the provisions of subpart G of A.I.D. Regulation I other than Section 201.62(a).

86GI/65

3. The supplier will, upon the request of the Administrator, promptly make appropriate refund to A.I.D. in the event of :

- his non-performance, in whole or in part, under said contract, or
- any breach by him of any of his undertakings in this Certificate and Agreement, or
- any false certification or representation made by him in this certificate and agreement or in the Invoice-and-Contract Abstract on the reverse hereof in regard to the transactions indicated therein.

4. The supplier will promptly pay to A.I.D. (Office of the Controller, A.I.D. Washington, D.C. 20523) any adjustment refunds, credits, or allowances payable to or for the account of the importer arising out of the terms of the said contract of the customs of the trade.

5. On the basis of information from such sources as are available to the supplier and to the best of his information and belief, any commodity supplied under said contract meets the requirements of section 201.11(b) of A.I.D. Regulation I (1964 revision) as to (a) U.S. Source, (b) U.S. origin and (c) limitation on non-U.S. components.

## ANNEXURE III

## NOTICE TO U.S. BUSINESS REGARDING PROPOSED PROCUREMENT OF GOODS

**Instructions.**—The importer should execute the form "Notice to U.S. Business" given below and submit 7 copies to the Iron & Steel Controller, DLF Credit Cell, 33, Netaji Subhas Road, Calcutta-1, within 15 days of the receipt of the import licence. The "Notice" must be prepared in English. To the extent possible, specifications according to U.S. standards shall be indicated for all the items sought to be imported and where U.S. Specifications are not known, full description of the goods shall be given. While giving the description it should be ensured that it is worded in general terms enabling all interested suppliers to send in their quotations. Care should be particularly taken to avoid mention of Model Nos., Maker's name etc. The "Notice" should include all items which are allowed to be imported under the import licence. The importer shall not place or agree to place any order with the supplier under any import licence of a value of \$ 5,000 or more until 45 days have elapsed from the time that the "Notice to U.S. Business" reaches the Agency for International Development, Washington. (In special cases, to enable U.S. Business to make offers, AID may prescribe a longer period.) To ensure that notification requirements are complied with, the Iron & Steel Controller, DLF Credit Cell, 33, Netaji Subhas Road, Calcutta-1 will, while forwarding the "Notice to U.S. Business" to AID for publication in "AID Small Business Circular", advise the importer the date up to which they shall defer placing final orders. On the expiry of this waiting period and subject to their receiving no further communication either from that authority or the AID Washington, the importers may finalise orders, after considering the quotations, if any, received from the U.S. Suppliers in response to the "Notice to U.S. Business" published by the AID in the "Small Business Circular".

2. The Iron & Steel Controller, DLF Credit Cell, 33, Netaji Subhas Road, Calcutta, or AID, may require the revision and resubmission of any "Notice to U.S. Business" which does not comply with the requirements set forth in this Annexure. If warranted, the bidline date may be extended due to such resubmissions.

3. The "Notice" should contain any entry for each paragraph A through K. Paragraph (A) will always be "India"; Paragraph (B) will be the Loan Number shown in the import licence and Paragraph (D) will always be U.S.A. If data for an entry is not necessary, insert 'N.A.' meaning not applicable.

## EXPLANATORY NOTES

Guidance as to the information required in the individual paragraphs of the "Notice" is contained in the following notes :—

**Note 1:** This will be filled by the Iron & Steel Controller, DLF Credit Cell, 33 Netaji Subhas Road, Calcutta-1.

**Note 2:** Indicate the name and complete address of the importer. Telephone number may also be included if the importer is willing to deal with bidders by such means.  
(For example : Importer)  
Acme Import Co. Ltd.,  
14, Front Street,  
Bombay, India.  
Tel. Bombay 373781)

**Note 3:** Fully describe the commodities (excluding ocean transportation and marine insurance) for which quotations or offers are desired. Specifications shall indicate sizes, quantities, etc. and shall be in terminology which is readily understandable by U.S. Commercial trade and which will enable U.S. Suppliers to submit quotations without further interpretation. Electrical equipment shall include the power characteristics required. Data shall be in such sufficient detail as to provide an adequate basis on which suppliers can submit realistic offers. Omission of U.S. standards as herein prescribed, may make the entire "Notice" unacceptable. If "Notice to U.S. Business" contains reference to drawings and/or to specifications running to several pages, the importer should send 6 copies of the "Notice to U.S. Business" only but retain with him the drawings and the documents containing the detailed specifications about which reference has been made in the "Notice to U.S. Business". The Iron & Steel Controller, DLF Credit Cell, 33, Netaji Subhas Road, Calcutta-1, while transmitting the "Notice to U.S. Business to AID", Washington, for publication will inform the importer of the 'bid closing date' i.e. the date filled in against entry 'E' of the "Notice") and also request him to send at least 50 copies of the drawings/documents containing specifications to the Office of the Small Business, Agency for International Development, Washington, 25 D.C. *direct* by *AIR MAIL* citing reference to the number and date of the Iron & Steel Controller, DLF Credit Cell, 33, Netaji Subhas Road, Calcutta-1, letter under which the Notice to 'U.S. Business' was forwarded to AID, Washington, for publication. The importer should comply with this request immediately and ensure that the copies of drawings etc. are sent to the Office of the Small Business, Agency for International Development, Washington, 25, D.C. so as to reach that office at least 45 days in advance of the 'bid closing date'. The importer should endorse to the Iron & Steel Controller, DLF Credit Cell, 33, Netaji Subhas Road, Calcutta-1, a copy of the communication addressed to the Office of Small Business, AID, Washington, 25, D.C. in this connection. The Iron & Steel Controller, DLF Credit Cell, 33, Netaji Subhas Road, Calcutta-1, will thereupon inform the importer, having regard to the date of despatch of the drawings by the importer, whether the original 'bid closing date' remains unchanged. The importer should await this information from the Iron & Steel Controller, DLF Credit Cell, 33, Netaji Subhas Road, Calcutta-1, before acting on the original 'bid line date'.

**Note 4:** Indicate basis on which quotations or offers are to be submitted; c.i.f. or c & f. Port of Entry into India; f.a.s. or f.o.b. Port of Exit from U.S.A.; etc. (For example : Basis : c.i.f. Bombay).

**Note 5:** Indicate whether or not cablegram quotations will be accepted. If acceptable, show Importers' cable address. (For example : I, Cablegram : Acceptable, ACICO, Bombay).

**Note 6:** List any special shipping or packing instructions or other conditions and information which may be applicable and not included in preceding paragraphs. (For example : the applicable special conditions in Annexure VIII should be detailed).

#### ANNEXURE IV SOURCE RULINGS

##### Item & Source Ruling

**Steel.**—A.I.D. has ruled that foreign ores from countries eligible under A.I.D. Geographic Code 899 used in the production of steel by United States Producers is exempted from the 10% componentary rule. This is an industry ruling for which individual application need not be made.

## ANNEXURE V

## DOCUMENTS REQUIRED FROM SUPPLIERS

For Cost of goods including costs of freight and/or marine insurance where the supplier pays such costs either for his own or the buyer's account, the following documents will be required :—

1. *Supplier's Invoice.*

A. One copy (or photostat) of the supplier's invoice showing the name and address of the importer, quantity detailed, description of each item shipped; sales price for each item, reflecting all trade discounts; purchasing agents commissions applicable; the basis of delivery; e.g., F.O.B. vessel, C.I.F., F.A.S. of the goods; the dollar cost of any incidental services, including delivery services, not included in price of item; and name and address of supplier of marine or transportation insurance and the dollar cost of each insurance of, if less than fifty dollars (\$ 50).

B. The Supplier's Invoice should be signed manually in ink by him and should be either :

(1) Marked "paid" by the supplier or,

(2) Endorsed by, or accompanied by a certificate of an officer of a banking institution indicating that payment has been made in the amount shown in the invoice.

Where the supplier's invoice covers cost of ocean freight only, such invoice shall be executed by the supplier of the ocean freight and shall indicate instead of the quantity, description, sales prices and basis of delivery indicated above, the vessel, flag and the dollar and/or Rupee cost of ocean freight and related transportation charges, and either (a) marked "paid" by the supplier or the ocean transportation or (b) endorsed by, or accompanied by a certificate of an officer or a banking institution indicating that payment has been made in the amount shown on the invoice. If the bill of lading [required by Sub-paragraph C(1) below] meets the requirements of this sub-paragraph no invoice is required.

C. In the case of goods shipped from a free port or bonded warehouse, the suppliers should endorse on or attach to the copy (or photostat) of the supplier's invoice, a statement indicating :—

(1) Shipment from either a free port or bonded warehouse, in accordance with the facts;

(2) the country or area from which the goods were shipped into such free ports or bonded warehouse; and

(3) the name and flag of the vessel which transported the commodities from the U.S.A. to the free port or bonded warehouse.

2. *Evidence of Shipment.*

A. Bill of lading or substitute, one copy (or photostat) of ocean or charter party bill of lading, or airway bill, or parcel post receipt. The Bill of Lading shall indicate the carrier's statement of charges in whatever currency it is paid.

B. Bank certificate for shipments from the United States. In the case of any commodity shipped from the continental United States (excluding Alaska) a certificate from the banking institution to the effect that it has been informed by the Approved Applicant or supplier that the sale is on an F.O.B. or F.A.S. basis and it is impracticable to furnish an ocean or charter party bill of lading, airway bill or parcel post receipt, and that either,

(1) Shipment documents sent by bank. The banking institution has received a common carrier bill of lading, warehouse receipt, mate's receipt, master's receipt, dock receipt or domestic parcel post receipt (if in non-negotiable form, showing that the commodity has been consigned to or is being held for a person or organisation designated by the approved applicant); it has delivered or sent the same, in accordance with the instructions of the approved applicant, to a person or organisation designated by the approved applicant; and it has in its possession a written undertaking of such person or organisation (a) to arrange for ocean shipment and to deliver to the banking institution a copy (or photostat) of the ocean or charter party bill of lading, airway bill, or parcel post receipt of (b) if unable to arrange for ocean shipments within 90 days of the date of the undertaking to deliver to the banking institution a common carrier bill of lading or warehouse receipt in negotiable form for the commodity or

(2) Shipment document held by bank. The banking institution has received a common carrier bill of lading or warehouse receipt in negotiable form, and is in possession of the bank; it has been unable to deliver the same to a person or organisation designated by the Approved Applicant against the written undertaking described in (1) of this sub-division, and it is holding the negotiable common carrier bill of lading or negotiable warehouse receipt except that if it becomes possible before any such instructions are received, it will proceed in accordance with (1) of this sub-division.

3. *Supplier's Certificate.*

The original and two copies of the "Supplier's Certificate" (and "Invoice and Contract Abstract" on reverse side, as shown in Annexure II) original signed by a responsible official of the supplier, covering the following :

A. The cost of the commodity, including the costs of ocean freight and/or marine insurance including war risk insurance when such costs are paid by the supplier for his own or the buyer's account to be executed by the supplier of the commodity.

B. The cost of ocean or air freight to be executed by the carrier.

C. The cost of marine insurance including war risk insurance to be executed by the insurer, insurance broker, or underwriter, when the cost of such insurance is more than fifty dollars (\$ 50).

4. *Additional Documentation.*

Such additional or substitute documentation as may be specified from time to time by the Government of India.

## ANNEXURE VII

## MARKING REQUIREMENTS GOODS AND SHIPPING CONTAINERS

Except as otherwise provided below, all loan financed goods (including machinery, equipment and materials) and their shipping containers will carry an emblem or other marking appropriately indicating the cooperation of the Government of the United States in furnishing assistance in the financing of the goods. Normally, these emblems or markers are affixed by the suppliers of the goods. Importers under AID Loans are responsible for assuring that suppliers of loan-financed goods receive necessary instructions concerning Aid marking requirements.

## 1. Type of Emblem or Marker

The requirements of the foregoing paragraph may be complied with by affixing a label, decalcomania, stencil, tag, metal plate, or by other means. The kind of emblem and size will depend on the type of commodity or shipping container and the nature of the surface to be marked, but in all cases must be large enough to be clearly visible at a reasonable distance. Emblems placed on goods must be substantially as durable as the trade mark or brand name affixed by the producer; emblems on shipping con-

tainers must be eligible until they reach their destination. A list of firms that supply emblems satisfactory to the AID is attached hereto.

## 2. Exemptions and Waivers

(a) *Exempted Goods*: To the extent compliance is impracticable, materials shipped in bulk, and semi-finished products that are not packaged in any way are exempt from the above prescribed marking requirements. If such materials or semi-finished products are shipped in containers of any kind, appropriate markers as described above shall be placed on or attached to the containers.

(b) *Waivers*: Upon representation by the importer through the Iron & Steel Controller, Calcutta to the AID Office of Small Business that strict compliance with the marking requirements, in their application to particular shipments or categories of goods, will result in under-shipment, disproportionate expense, delay in delivery of the goods, or is otherwise impracticable, the AID will consider waiving the marking requirements as they apply to the particular shipment or category of goods, or may prescribe alternative means for complying with the requirements. If AID issues a "Waiver", in this regard, the supplier should send a copy of the waiver to the importer.

LIST OF U.S. SUPPLIERS OF OFFICIAL EMBLEM

The following firms have indicated that they stock the American AID emblem in one form or another, or will produce it on order. The inclusion of these names on this list should in no way be interpreted as AID endorsement of the firms or their products. The list is not to be regarded as restrictive in any way since obviously similar items can be produced by additional firms which are not known to this agency. The names of such firms will, upon request, be added to subsequent lists. Commodity suppliers are responsible for obtaining and using emblems as visible and durable as the trade mark or company or brand name affixed by the producer of the commodity.

### ANNEXURE VIII

#### SPECIAL CONDITIONS APPLICABLE TO CERTAIN ITEMS OF IMPORT

##### IRON AND STEEL MILL PRODUCTS (CODE NO. 660).

I. Import of Stainless Steels and/or Stainless Steel Products, in which nickel is an alloy of value, will be subject to the condition that the U.S. suppliers should agree to purchase at the option of the United States Government and under applicable procedures (to be ascertained by the U.S. suppliers from the General Services Administration, Defence Materials Service, Washington DC 20405), surplus nickel from the Defence Production Act inventory through G.S.A. in amounts equal to the quantity of nickel required to produce the stainless steels and/or Stainless Steel Products supplied.

The importer should specify the above obligation of the U.S. supplier in the 'Notice to U.S. Business' relevant to the procurement. He should also, besides embodying the above obligation in his contracts with the U.S. suppliers inform the U.S. AID, New Delhi (Attention EO/PRO) of the name of U.S. supplier and the particulars of the transaction (contract number, quantity, value) as soon as the purchase contract is made.

II. Import of Tin Plate and/or Terne Plate will be subject to the condition that the U.S. suppliers should agree to purchase at the option of the U.S. Government and under applicable procedures (to be ascertained by the U.S. supplier from the General Services Administration, Defence Materials Service, Washington DC 20405), surplus pig tin from the National Stockpile through G.S.A. in amounts equal to the quantity required to produce the Tin Plate and/or Terne Plate to be supplied.

The importer should specify the above obligation of the U.S. supplier in the 'Notice to U.S. Business' relevant to the procurement. He should also, besides embodying

the above obligation in his contracts with the U.S. suppliers, inform the U.S. AID, New Delhi (Attention EO/PRO) of the name of U.S. supplier and the particulars of the transaction (contract number, quantity, value) as soon as the purchase contract is made.

##### III. NICKEL PRODUCTS AND NICKEL BASE ALLOY PRODUCTS (INCLUDED IN CODE NO. 695).

Import of Nickel Products and Nickel Base Alloy Products, in which nickel is the alloy of chief value, will be subject to the condition that the U.S. supplier should agree to purchase at the option of the U.S. Government and under applicable procedures (to be ascertained by the U.S. supplier from the General Services Administration, Defence Materials Service, Washington D.C. 20405), surplus nickel from the Defence Production Act Inventory through G.S.A. in amounts equal to the quantity required to produce the nickel and/or nickel base alloy products supplied.

The importer should specify the above obligation of the U.S. supplier in the 'Notice to U.S. Business' relevant to the procurement. He should also, besides embodying the above obligation in his contracts with the U.S. suppliers, inform the U.S. AID, New Delhi (Attention EO/PRO) of the name of U.S. supplier and the particulars of the transaction (contract number, quantity, value) as soon as the purchase contract is made.

##### IV. TIN PRODUCTS AND TIN BASE ALLOY PRODUCTS INCLUDING BASE BABBIT METALS (Included in Code No. 696).

Import of these items will be subject to the condition that the U.S. suppliers should agree to purchase at the option of the U.S. Government and under applicable procedures (to be ascertained by the U.S. supplier from the General Services Administration, Defence Materials Service, Washington DC 20405), surplus pig tin from

the National Stockpile through G.S.A. in amounts equal to the quantity required to produce the tin and/or tin base alloy products to be supplied.

The importer should specify the above obligation of the U.S. supplier in the 'Notice to U.S. Business' relevant to

the procurement. He should also, besides embodying the above obligation in his contracts with the U.S. suppliers, inform the U.S. AID, New Delhi (Attention EO/PRO) of the name of U.S. supplier and the particulars of the transaction (contract number, quantity, value) as soon as the purchase contract is made.

## PUBLIC NOTICE

Calcutta, the 18th May 1965

SUBJECT :—Export of prime steel.

No. B&E/16/SEA/65—Cases have come to the notice of the Government where Indian parties have entered into commitments and/or signed contracts with foreign parties without the knowledge of the Iron and Steel Controller and later on applied for export licences and also supply of billets for completion of the export orders and thereby put the Iron & Steel Controller in a very embarrassing position. This practice should, therefore, be stopped.

Henceforth, contracts for the export of prime steel, which cannot be fulfilled without provision of billets by the Controller, should not be entered into with a foreign party nor commitments made to the foreign party without prior clearance from the Steel Exporters' Association and Iron & Steel Controller. In special cases where a foreign party insists on some assurance from Indian party, there is no objection to the foreign party being merely informed that in case an export licence is given and supplies of billets are assured by the Controller, a contract will be signed. If any contract and/or firm commitment is made without prior clearance from the authorities mentioned herein, such contract will not be considered, and the exporter concerned, whether he is a Re-Roller or a Merchant Exporter will be debarred from obtaining any export licence in future for a specified period.

Export licences for prime quality steel will be considered :—

- (1) If export application is submitted with a letter from a Re-Roller to the effect that the materials for export will be supplied by him without any claim for additional recoupment of billets.
- (2) If export application is duly forwarded with the views of the Exporters' Association in regard to the export application. Suitable instructions have been given to the Exporters' Association in this regard.

This is issued in continuation of Public Notice No. B&E/16/SEA/65 dated 15th May, 1965.
